

**Services offered by Vast Infraestrutura SA:**

**Double banking oil transshipment operations**

The reference price for double banking oil transshipment operations is \$1,000,000.00 (one million dollars) per operation. Such price is subject to variations according to the volume transferred, number of operations, contract term and operational availability, always based on fair and competitive free market conditions, and will be subject to specific commercial negotiation, carried out on a case-by-case basis. Requests for oil transshipment services must be addressed to Vast Infraestrutura SA, through the contacts below:
